Message from the Mayor

I'm thrilled to introduce the Town of Port Hedland Events Sponsorship Prospectus.

Within this document, you'll discover the Town's fantastic events and programs, along with the exciting opportunities for sponsorship that accompany our community events.

The Town is committed to providing a diverse calendar of events for the community to enjoy in 2024. Having a range of events that are suitable for families and people of all ages is part of our vision to ensure Hedland is a thriving community where people want to work and live.

I encourage corporations and businesses from across the Pilbara and beyond to consider supporting our programs and events – and leverage from the range of benefits we can offer through various sponsorship opportunities.

Partnering with us offers an opportunity to be involved in grassroots community engagement, supporting initiatives

for children and young people, and promoting arts and culture – all while achieving significant brand recognition.

Forging strong partnerships with industry to achieve positive social outcomes for our local community is a key priority for the Town, now and into the future. We are confident that through supporting Town events, we can help your organisation deliver on social and community commitments.

I thank you for your consideration and look forward to seeing you at our upcoming events.

Regards,

Why Sponsor?

Businesses are increasingly realising that taking environmental, social and governance (ESG) considerations seriously adds value. The Town of Port Hedland is delighted to partner with businesses that are seeking to ensure effective outcomes in the social criteria of ESG; addressing the relationships businesses hold in communities and the reputation among stakeholders.

The Town's annual events program presents an opportunity for you to create great relationships in the Hedland community, drive brand awareness and social recognition.

This opportunity is even more valuable in the current landscape where research continues to demonstrate a decline in trust with traditional media, advertising and social media. In addition, the 2023 Edelman Trust Barometer found that, when considering job prospects, 69 per cent of people want organisations to have a strong social impact.

Partnering with the Town of Port Hedland offers numerous benefits to deliver on this expectation. We look forward to discussing opportunities with you.

Welcome to Hedland

Welcome to Hedland is an annual expo which brings the Hedland community together to foster connection and awareness of community groups, services and facilities.

The event supports local businesses to showcase products and provides community groups a platform to run fundraising activities and membership drives.

In 2023, an estimated 2,000 people attended the event, which opened the Welcome to Hedland Weekender – a celebration of South Hedland's 50th anniversary.
