

Bladder or Bowel Problems?

We can help

Do you sometimes leak a little urine?

Or suddenly need to go in a hurry?

Do you suffer from diarrhoea or constipation?

Or are you trying to manage with pads?

You are not alone.

The Continence Management and Advice Service (CMAS) has trained nurses who can help.

You may also be able to access pads or products up to the value of \$480 per year. Eligibility criteria apply.

A CMAS Continence Nurse will be at the Well Womens Centre, Leake Street, South Hedland on 27 and 28 July 2010.
