Save the North West Fest

Petitioning the Town of Port Hedland

Please find attached signatures and comments from the online Petition *Save the North West Fest* on change.org.au

We the undersigned are petitioning the Town of Port Hedland Council to support the Town of Port Hedland recommendation to release 500,000 dollars to allow the 2016 North West Festival to proceed uninhibited.

It is our view that this Festival is immensely valuable to the Town of Port Hedland in terms of building the culture, reputation and Australia wide exposure to what a great place the Town of Port Hedland is to work and live.

For the residents, this is one community event that many, many, many residents enjoy and anticipate its scheduling in the coming year. Thirty percent of people who attended in 2015 were visitors to our town and were subject to the great hospitality and wonderful people who live and work here.

Please do not just note the numbers (570), please take the time to read the comments attached.

Regards,

Georgia Cutting

Sheree Trott	Australia	2015-11-07	We need to keep awesome events in Hedland to keep people entertained and enjoying living here.
Paige Sandilands	Australia	2015-11-07	It's an amazing event would be horrible to see it not go ahead
Adrian Marinic	Australia	2015-11-07	I'm signing this petition because I believe the NWF is a great event that brings artists to Port Hedland that would never usually travel to such a remote area to showcase their talents. It's a key event that makes living in the Pilbara a better experience and brings up youth moral.
Lee Cummins	South Hedland, Australia	2015-11-07	Its a draw card for this town
Arlion Kris	Australia	2015-11-07	Port hedland needs this
Colin O'Brien	Australia	2015-11-07	It is the only festival around
Jacqui Copeman	Australia	2015-11-07	The arts are a necessary part of life. The intrinsic value of the arts cannot be measured financially. Port Hedland is an incredible place, it would be heartbreaking to lose culture such as the NWF!
Jessica Lester	Australia	2015-11-07	North west fest is one of the only good things Hedland has going at the moment! Leaves the down buzzing and is an absolutely amazing weekend! So incredibly fun!
Michaela Reynolds	Australia	2015-11-07	This is the only thing most of us can look forward to all year, we cant all afford flights to perth for the festivals down there
Kylie bruce	Australia	2015-11-07	Even though I don't go to music festivals this brings people to Port Hedland. It brings culture and also a flow of income for the weekend. A town can not survive on music alone
Lauren Gibbs	Port Hedland, Australia	2015-11-07	NWF is such an amazing weekend! Events like these bring the people closer together and puts the Pilbara on the map, would be such a shame to see it not continue.
Michelle Kilmartin	Australia	2015-11-07	i am signing because it is the best thing that has happened in the north west for decades
Eddo Hine	Australia	2015-11-07	I'm signing because it is currently one of the best festivals up in the north west.
Chelsea Silvasi	Australia	2015-11-07	I'm signing becauss this is the best thing that has happened to the town in years! Brings in so much money and visitors to the town and gives us something that we can look forward to without having to fly to different areas of the state! Best memories and best artists have been due to NWF!
Cecilia Liebenberg	South Hedland, Australia	2015-11-07	This is one big thing that happens in Town
Paul Maudsley	Australia	2015-11-07	It's the only local event that's actually worth going to
Cheynee Johnson	Australia	2015-11-07	North West fest is amazing
ian van driel	Australia	2015-11-07	more stupidity from a misguided Town
Hannah Webster	Australia	2015-11-07	It's not only our town that misses out but all the surrounding communities and towns
Joel Thomas	Australia	2015-11-07	Festivals like this bring in a lot of talent,much needed entertainment and more importantly, money for the community
Aden Chivers	Australia	2015-11-07	It gives the community and the young people something to look forward to in a place where there isn't much. Especially having to pay to go to a big city to see musicians they like.
Sheree Stade	Australia	2015-11-07	North West Fest is a great event that I enjoy every year!

Katherine granquist	Australia	2015-11-07	i have supported this festival since its first time i have volunteered my time and paid for tickets and merch i want to lookforward to it next year
Trish Barron	Port Hedland, Australia	2015-11-07	If Hedland doesn't hold on to this festival it can kiss it good bye to about 230 kms down the road. Looks like we are going backwards.
Callum Kirkpatrick	Australia	2015-11-07	North west fest was a sick time " " don't get rid of it! Keep the good times rollin!
Kath Gascoigne	Port Hedland, Australia	2015-11-07	I have gone with my teenage children two years running and we really enjoy this festival and the atmosphere it creates for Port Hedland. With the release of funds, all logistics can be planned to keep this event continued in Port Hedland.
Chelsie Robson	Tom Price, Australia	2015-11-07	We have been every year since it started and drive over from Tom Price. We love the festival & can't wait for September each year, you have to keep it going!!!
ben walls	Australia	2015-11-07	Port hedland needs this and its only once a year so wats the harm
Paula Stevens	Australia	2015-11-07	I love the NWF! Please don't let it end or we will never get it back
Justine Abbey	Australia	2015-11-07	Port hedland needs this kind of event to attract people to the town.
Rachel Cosgrove	South Hedland, Australia	2015-11-07	The festival is so good for small businesses. The amount of people that come from all around and spend money in the town throughout the festival should not be over looked. Awesome event for our great town!
Narelle Damico	Australia	2015-11-07	Because I love the music, vibe and fun times that surround this event.
Haelee Brockman	Australia	2015-11-07	I'm signing because North west fest is the best I
Bob Ringvall	Australia	2015-11-07	It's a great event and this town needs it
Kathryn Fowler	Australia	2015-11-07	500k cost is nothing against the benefits
Peter Roth	Australia	2015-11-07	Great publicity for the town and one of the best days In pilbara
Amber Hooke	South Hedland, Australia	2015-11-07	This is such a sanity saver for music lovers living remotely, please don't take it away!
Kris Schroen	Australia	2015-11-07	Music festivals are life
Jordan Williams	Australia	2015-11-07	I'm a heavy supporter
jared webster	Australia	2015-11-07	This goes off!!
Jaxon mcfarlane	Australia	2015-11-07	Keep the festival going gives people something to look forward to an also brings people into port hedland from everywhere in oz
Matthew O'Neill	Australia	2015-11-07	This is a major event for the pilbara that needs to stay
Erin Gibbons	Australia	2015-11-07	The NWF is far more than a weekend worth of live music (although, for me, this alone would be enough). It has shifted mindsets of locals, fifos and the rest of the country from Port Hedland being solely a mining town to it being a vibrant place to live and visit. The outcomes in community pride can be felt through the genuine buzz around town. The community engagement strategy that goes hand in hand with the NWF achieved substantial economic outcomes for local small businesses, opportunities for career progression (for local artists and small business - I for one can vouch for this), youth mentoring programs, a rise in tourism and environmental awareness raising opportunities. The loss of the NWF will be felt by the entire community whether they like live music or not.
Christine Thorne	Australia	2015-11-07	Support of these festivals brings a lot of 'revenue' into the town. Young people and old need this type of entertainment I would think this would be a priority in your arts budget. Keep Port Hedland moving.

Name	Location	Date	Comment
Natasha Brady	Australia	2015-11-07	Iv been to the last two festivals. I met and had a chat with Julia Stone herself who mingled with the crowd. I found both years extremely well organised events and great crowds. As a resident in Hedland it's nice to have something like this in our town that brings people to it, so why the hell would it be taken away?
Elisabeth Kilmartin	Australia	2015-11-07	my granddaughters love it
Tracey Bell	Australia	2015-11-07	It's a great event and should continue
Rachel Borg	Australia	2015-11-07	This is one event the town looks forward to each year. There are no other opportunities for the community to hear live music of that kind of stature and to gather together to that extent. It is an attraction that brings folk in from other rural areas too.
Naomi Wilkinson	Australia	2015-11-07	Council is meant to support the town and this is a huge event for everyone to bring some much needed funds to businesses and some entertainment to the people.
Sheldon Pettit	Australia	2015-11-08	The best weekend of the year for Port Hedland.
Dane Tyzzer	Australia	2015-11-08	Why is this even an issue. Don't get rid of it
Stacey Hambling	Levin, Australia	2015-11-08	It is an amazing and well organised event and the only good thing port Hedland has going entertainment wise. I have been living in hedland for nearly 5 years and have loved ever single festival. KEEP THE NWF!!
Samantha Vadala	Australia	2015-11-08	The NWF rocks!
petra leamon	Australia	2015-11-08	The people of Heflin need a positive event such as this. Yes, it brings in money but it also makes many people from Exmouth to Broome happy & gives them something to look forward to.
Emily Williams	South Hedland, Australia	2015-11-08	Don't take away the only thing we have to look forward too up here!!
Ryan Cundell	Australia	2015-11-08	Northwest festival is the best entertainment Hedland has to offer.. Even though it's only once a year.
Michael Cullen	Australia	2015-11-08	This is great for the town of PH
Brittany Fulwood	Australia	2015-11-08	Brings so many cultures together for great vibes.
sharan van der sluis	Australia	2015-11-08	This is a great event for the NW and we need to ensure it stays and grows.
Todd Pentney	Australia	2015-11-08	NWF is a great showcase for Hedland, the Pilbara and the North West - if further funding is needed then seek it but don't just shut this wonderful event down.
Kristy Stewart	Australia	2015-11-08	The Pilbara needs live music! It brings us all together!
Alanna clayton	Australia	2015-11-08	This is the best weekend of the year in Port Hedland which everyone looks forward to all year! It is also the reason our friends will pay ridiculous amount for flights to visit from Perth.
Ashlee Forbes	Australia	2015-11-08	The north west festival is everyones favourite weekend in Hedland. Even people travel into town from as far as carnarvon and broome. It would devastate the community if it was cancelled.
peter benton	Australia	2015-11-08	Northwestfest has become one of the few events worth looking forward to on the Port Hedland calender.
Brooke Moulden	Woodanilling, Australia	2015-11-08	I lived in Port Hedland for 5 years, went to the first 2 NW Fest's and even flew back up for one when I moved away. It's an awesome event that should be supported in every way as WA already misses out on so much. It's not fair on people living up north to have to fly to Perth to see live music.

Renae Anderson	Australia	2015-11-08	It is one of the very few events a year that everyone looks forward to.. not only locals but pilbara wide... people work so hard day in day out, do not take this amazing event away from them
Baden Hatchett	Australia	2015-11-08	I live in hedland and look forward to it
Ben Marlborough	Australia	2015-11-08	You have nothing up here for young people to do and that is the best thing for them
Kyal Randazzo	Australia	2015-11-08	I love NWF
Gloria Jacob	Australia	2015-11-08	The Town of Port Hedland needs this premiere event to further build community and diversity in our town. The NWF week includes not only the music festival but has grown to include major arts, culture, tourism and economic events. Be proud Port Hedland it is
Sarah Brimmell	Australia	2015-11-08	I APOSE THE ToPH DECISION TO NOT FINACIALLY SUPPORT THE NW FESTIVAL
dale Thomas	Australind, Australia	2015-11-08	I love this festival..
Shannon Brown	Australia	2015-11-08	Best event in the Northwest young and old
Sue Smith	Australia	2015-11-08	Letsm not let another event be taken away from us.
Til Hummel	Germany	2015-11-08	Had a great weekend and Southwest.
Rachael MacDonald	Australia	2015-11-08	i lived in Port Hedland for 6 years and have now moved just down to karratha. The North West Festival brought so much to the town. People from all over australia would travel to it.
Nikki Waite	Australia	2015-11-08	It is an event for the community to go to and enjoy without having to leave town. It also brings other people in the pilbara here. Gives peoole something to look forward to other then races season.
Michelle Bain	Australia	2015-11-08	I may not live in hedland anymore, but damn right im going to sign this petition!! What even is the issue, why stop such an event, that is good for the whole community. Not only is it something that the locals look forward to every year, it brings people from other parts of the Northwest, which in the end brings more money and business into our town. Itll be selfish to get rid of it
Kayleen Arnold	South Hedland, Australia	2015-11-08	The previous council has worked too hard to build the NWF into the event it is today. Arts and tourism doesn't need to be penalised in Port Hedland due to the lack of wxperience and poor decision making by ciuncillors just elected. Put it to a vote!!
Warren McDonogh	Australia	2015-11-08	To me the NWF is the most exciting event that happens annually in Port Hedland. Prior to the NWF I would travel to Perth once a year for my live music fix, now my money is spent in Port Hedland. We have friends visit each year from the east coast specifically to attend the NWF. It is a festival to be proud of and I will personally fight tooth and nail to make sure it stays in Hedland.
Tiarne Sippel	Australia	2015-11-08	I want my niece to be able to enjoy an awesome festival like this festival in the future. Hoping she will be a musical soul like her mother.
Ben Jones	Australia	2015-11-08	The North west fest is not only a music festival it is a showcase of the town. Instead of cutting funding it should be expanded and incorporated into a week long event encompassing various different art forms, tourism and business ventures. The hard work has been done establishing it with both performers and attendees, if managed correctly this could make a tidy profit for all involved. Have a little foresight council and don't cop out as it's easier. Put in the effort and reward the community, both financially and with community spirit.

Jessica dyer	Australia	2015-11-08	This is one of the highlights for locals to attend, that doesn't mean having to pay for flights to leave town, why get rid of something so beneficial for all such as this.
Kerry Standen	South Hedland, Australia	2015-11-08	It bring life and excitement into the town!
Tamika Selby	Australia	2015-11-08	The North West Festival is a part of the annual events in Hedland and it brings a lot of people from all over the state to the beautiful town of Port Hedland.
Sam Mullen	Australia	2015-11-08	this is one of the best things to happen to this town. Gets everyone involved together for a good time for all ages.
Marni Warwick-smith	Australia	2015-11-08	I love Northwest fest, it's so amazing for the whole Pilbara community, please don't take it away!! Xxx
Monique Stgg	Australia	2015-11-08	This town needs community events to keep it moving forward. ESPECIALLY, for the younger crowd. They leave because there is nothing for them, then the town dies.
Elaine Greys	Australia	2015-11-08	<p>I attended my first NWF this year and was totally amazed at the excellent high standard of organisation and magnitude of professionalism used in the staging of the event. A vast majority of Port Hedland's multi cultural community including the surrounding regional towns (and people of all ages) attended the festival and judging by the crowd they were totally appreciative of the entertainment. This festival brings the community together as well providing the local youth with a taste of live performances, lighting and sound technique.</p> <p>To take this event away from the community is an absolute travesty and councillors need to consider the benefits the people and indeed the Town of Port Hedland gain from holding this the festival. To those few councillors who have taken it upon themselves to deny the town the Festival need to reconsider and take this petition into account. A more positive and collaborative approach by the Council would seem more appropriate and effective rather than just shelving it, more consultation required!</p>
Colleen Rogers	Australia	2015-11-08	This brings peeps from all over the Pilbara! It can and does make money! We just need to get together and make it happen!!
Micheal Collins	Karratha, Australia	2015-11-08	This is the one big festival to look forward to up here! We all take leave off of work and drive up from Karratha just for this event. I know people who fly up from Perth just for this, booking flights without even knowing the lineup. Please don't follow the rest of the state by turning us into a nana state!
Jemma Devenish	Australia	2015-11-08	North West Festival is a one-of-a-kind music, arts and culture festival with the pure Pilbara charm. SAVE NWF!
Mandy Cunningham	Australia	2015-11-08	This is a awesome festival
Eric Mitchell	Australia	2015-11-08	This town needs this event
Alexis Miles	Australia	2015-11-08	this is a wonderful event for the town and locals
Emms Cooper	Australia	2015-11-08	Nwf is awesome and there should be more gigs in the pilbara
Suzan Chesson	Australia	2015-11-08	I believe that this festival is a crucial part of modernising the Pilbara and injecting music culture into the mining focused region
Anthony Vadala	Australia	2015-11-08	I love the north west brother
Eleonora Deak	Joondalup, Australia	2015-11-08	Hedland needs to not have stuff taken away.
Andrew McIntosh	Australia	2015-11-08	It's such a great event, a must keep for Port Hedland.
Rosina Hogben	Australia	2015-11-08	Why take away one of the best festivals I've been to.. That takes place in the town we all work and live in.

Krystal Fischer	Australia	2015-11-08	Hedland deserves to have something like this every year. I lived in Hedland for 17 years and there was nothing like this. Keep it.
Grace Colarusso	Australia	2015-11-08	You've got to be kidding me! This is one event the town can look forward to and get together to relax, catchup and enjoy. It's a good event for outsiders to come to the Pilbara and enjoy the beautiful things we have on offer. There is not many events to look forward to throughout the year and this is such a great event for everybody in the community. I vote to keep the event happening every year - keep this going for the community and for everybody in Hedland.
susie andri	Australia	2015-11-08	It's the best music festival in the NorWest which brings people and music together, not to mention lots of visitors to the town of Port Hedland
Raichel Glasson	Australia	2015-11-08	I think NWF should be saved, it's the only type of festival that comes to hedland and all the hedlanders enjoy it. It's almost like a gift to the Pilbara Please save north west fest
Shiloh Mcfarlane	Australia	2015-11-08	Because port Hedland is the perfect place for north west fest ! It's great for the young community, it's the perfect place for the fest, it's great for local business owners and if gives everyone something to look forward to .
Reachelle Cowcher	Australia	2015-11-08	I think it's ridiculous if the NW Fest is not going to be held in Hedland - I have friends from all over Australia fly to Hedland for this - I will be leaving town in Jan and I can tell you this festival will be the only reason I come back...the town makes so much from this event - how can you vote against it! It crazy I bet the ones who are voting against haven't even been and enjoy sitting at home doing sweet f a!

Phillip Anderson	Australia	2015-11-08	This event has allowed me to meet amazing people in an otherwise tough environment this brings the town together. I have met my best friends and partner there allowing this event to close would make the town a lesser place we need more of these events not less.
Colleen Ginbey	Australia	2015-11-08	It goes without saying. C'mon shire of Port Hedland. North West Festival is the best thing thats happened to and for the Pilbara people in a bloody long time. Dont be a kill joy now.
Elise Batchelor	Australia	2015-11-08	Removing a pivotal cultural event, which is now responsible for drawing in local companies and individuals in events surrounding the festival, is cutting off one's nose to spite one's face. Find the money by moving it from elsewhere, because a town is nothing when just a skeleton and muscle. A town is its heart and THIS festival makes that heart beat. How many ways have you got it wrong if you don't support this? What a tragedy for the people who have waited months each year for this event.
Amelia Cook	Port Hedland, Australia	2015-11-08	It's a great event for port Hedland it should not be taken away.
Sharon Todd	Port Kennedy, Australia	2015-11-08	http://www.tonedeaf.com.au/447959/the-true-impact-of-losing-an-aussie-music-festival.htm
Lisa Adams	Perth, Australia	2015-11-08	Because it's the best event Hedland has to offer
Amy Flaherty	Carnarvon, Australia	2015-11-08	I love this festival and it brings the town together. This is the best event in the North West and it would be terrible to see it leave.
Pat Christensen Pat christensen	Australia	2015-11-08	Give our young people something to do in this town
Ingrid Giddy	Point Samson, Australia	2015-11-09	The north west fest is the premier music event of the Pilbara and is loved by all. It provides a platform for artists of many genres and a cultural reason to visit Port Hedland... Culture being thin on the ground here in the Pilbara. Please don't give people another reason to leave. Culture Is the life blood of remote communities and must be nurtured at all costs.
Todd Madill	Australia	2015-11-09	It's a great event. Been three years in a row and loved each one.
Leah King	Australia	2015-11-09	This is a great event for Hedland
Frederick Myers	Australia	2015-11-09	Nort west fest is awesome! Its well organised and does so much for the whole pilbara community.
Hemi Hinaki	Australia	2015-11-09	Please don't take this from us
Matthew Layton	Australia	2015-11-09	It pains me to think after 4 years of bringing the town together, it seems there are people equally as passionate to bring the NWF down. It's the only vehicle for local artists to play alongside some of the country's finest like Vance Joy, Birds of Tokyo, Wolfmother, Paul Kelly and Missy Higgins, just to name a few. It's my favourite weekend every year and the biggest opportunity to put this beautiful town on the big stage. Apparently it's a burden on ratepayers (news flash, the NWF is not supposed to target you - it's supposed to target tourism and elevating Port Hedland to a statewide/national/international audience). It's too important to lose.
melissa wood	Australia	2015-11-09	This event brings a huge number of tourist's to our town, that we normally wouldn't be able to access. They spend a huge amount while here which helps to boost the local economy. They also help to spread the word that Port Hedland is a great tourist attraction. Without this event the town will loose a lot of potential growth.

keah bree	perth, Australia	2015-11-09	It's the only good thing Hedland has, and the last few years it has been amazing !!!
Lisa Bowen	Port Hedland, Australia	2015-11-09	It would be foolish for TOPH to jeopardise an event that has started to lift our reputation from a red neck town to a vibrant town to live, work & visit. Our small businesses currently need all the support they can get & the influx of people has been of great benefit in the past. Support the small businesses that make this town a town & get behind this event.
James Cahill	Mandurah, Australia	2015-11-09	Port Hedland is a Special Place...I invested 10 years of my life in the place..deserves better..

Deb Phipps	Australia	2015-11-09	This festival is a good thing for the town. It brings with it not just entertainment but new business for the town.It also provides an interest for tourism, which also helps Port Hedland. This festival has plyed an integral part in putting it on the map as a p0lace to see not just a mining town filled with red dirt.

Chrissie McDowell	Australia	2015-11-09	The festival is so necessary for the young and young at heart in our pilbara town it attracts many back to the town to spend time with friends we so lack activities for young people music is so important in the lives of most healthy individuals. Yes the demise of live artists touring because of high fuel/ plane travel and accommodation this is such a wonderful festival and has been so well attended why take away what is working in our town
Iqlimah Addin	Australia	2015-11-09	Because why is this even an issue? Its the one event that all hedlanders look forward to and it brings the community together. You'll be silly for not funding this next year!!
Jodie Gandolfo	South Hedland, Australia	2015-11-09	Music festivals throughout WA have been canned of late, please don't let NWF follow suit with the same fate! NWF is honestly one of the best music festivals in Australia, it has gained so much popularity over the last 3 years, it brings so much more than 'just music' to our town, I've even had friends travel from interstate. All Port Hedland residents are proud of NWF and how much it's grown over the last few years, please don't take that away from us :)
Amanda Singh	Australia	2015-11-09	This music festival is so important to the people of the Pilbara, so please don't take it away from them!!!
Sallyanne Stoddart	Australia	2015-11-09	Music soothes the soul!
Cate Bennett	Australia	2015-11-09	Music brings all sorts of people together like nothing else does. Don't take the opportunity for people to connect and enjoy each other's company away from your beautiful town.
Rusty Baker	Australia	2015-11-09	Living up in the Pilbara we miss out on so much, to lose this would be a travesty for us all.
sky beer	Australia	2015-11-09	I lived in hedland for 4 years. It can get quite boring. Don't take it away.
Paul Havelock	Australia	2015-11-09	We need things like this up here.
Robyn olive	Australia	2015-11-09	it is a great event for Port Hedland we miss out on so much, living here, let us keep this fantastic event.
Rhianna Olive	Australia	2015-11-09	Im signing this because we can't loose the most exciting thing that happens in the Pilbara, the flights are expensive enough to travel down to Perth to visit a concert.
Trish Chapman	Australia	2015-11-10	As wonderful as it is living in the Pilbara, it is not affordable to travel to Perth for the many music festivals held there. To have one such event held here where many of us can actually afford to travel to for a fantastic weekend is an absolute treat! Please don't deny us yet another opportunity to enjoy live music in the Pilbara. Save the funding!!
Tracey Northam	Australia	2015-11-10	I disagree with the blocking of the release of funds. This is great for Hedland.
morgan howrie	Australia	2015-11-10	the north west festival is a great place to socail with people you know and create new friends
Amy McKee	Australia	2015-11-10	This town loves the North West Fest! As a local henna artist, the NWF was the most important event of the year for me- it allowed me so much custom and exposure! It's helped by little business 1000%
Kendal Dixon	Australia	2015-11-10	Because it's amazing!!!
Mary-Ellen Sheridan	Australia	2015-11-10	This is such a good opportunity for the pilbara locals
Kate Learmonth	Australia	2015-11-10	It's such an amazing festival that the Pilbar is so fortunate to hold.
Laura Trendos	Australia	2015-11-10	I work in port hedland and every year I see how positive this makes he community. It brings people together and brings people to the town! Why would this be a bad thing and why wouldn't this continue to be supported

Cynthia Yap	Australia	2015-11-10	As someone who grew up in the North West, South Hedland, I know how important it is to have festivals of any sort for the people in the area. It's something for them to look forward to every year. It also helps with the local businesses by attracting visitors to the town.
Lisa Anderson	Australia	2015-11-11	I love this festival and attend it every year (since I've been here) and get as many friends as I can together for it! Keep it going, we LOVE it!
