WEST END MOVIES FEATURING THE CIRCUS & BUTTERFLY CIRCUS

Cinema

When it comes to Circus, nothing can be funnier than Charlie Chaplin in "The Circus", a hilarious masterpiece which contains some of Chaplin's most accomplished gags. As usual, Charlie Chaplin finds himself trapped into unexpected and critical situations from which he tries to escape, only to find out that he can only be funny unintentionally, not on purpose. The film is so rich in comedy it will have all the audience in stitches right from the beginning through the end. This is a great opportunity to (re)discover the best classic of all time and get young audience to enjoy a black and white silent movie.

Prior to *The Circus* will be presented *Butterfly Circus*, an uplifting short independent film which beautifully captures and shares its theme of hope without becoming maudlin or melodramatic. Set during the Great Depression, the touching story concerns the plight of Will (Nick Vujicic). Born without arms or legs, Will lives in despair as the "star" performer of a sordid, traveling circus sideshow. Will's life changes when he meets Mr. Mendez, the enigmatic and charismatic Showman for the renowned-- and far superior--Butterfly Circus. Intrigued by Mr. Mendez's kindness to him, Will stows away in one of Mr. Mendez's trucks in the hopes of becoming part of his sideshow.

FLICKS IN THE SQUARE FEATURING BRAN NUE DAE

After a successful Christmas Markets and Melodies last month, South Hedland Town Centre is ready to host the first Flicks in the Square event of the year featuring Bran Nue Dae movie, a charming lively musical comedy drama set in the late '60s and starring Academy Award winner Geoffrey Rush and Jessica Mauboy. Loosely based on one of Australia's most beloved and popular musicals, Bran Nue Dae is a foot stomping tour-de-force centering on the romantic adventures of a young aboriginal couple set against the spectacular Australian scenery. With the new amphitheatre and the nice grass area, it makes for the perfect space for this event and a beautiful way to spend your Friday night with friends and family while watching one of Australians' most favourite film, so come on down it's FREE!!!
