

Updated on Friday 22 February 2013

Based on community and stakeholder feedback, the Town will be sending the In Progress updates on a weekly basis.

The first weekly update will be provided on Thursday 28 February.

Work continues to progress on the South Hedland Aquatic Centre and Marquee Park projects, with water testing outstanding for both facilities.

When the facilities are closer to opening, the Town will recommence daily updates to community members and stakeholders.

## Marquee Park, South Hedland

- Residents are reminded to refrain from entering Marquee Park as commissioning is being undertaken.
- The chlorine booster pump has been replaced in the water treatment plant today.
- The water-play area (splash pad) will be cleaned over the weekend.
- The water treatment plant system will operate in 'test mode' from Monday 25 February.
- Statutory water sampling is scheduled to take place on the first week of March.
