The Town continues to work with contractors and the YMCA to complete final works required for the opening of Marquee Park and the South Hedland Aquatic Centre.

The projects are progressing steadily, with a view to ensuring that when the facilities open to the community they are safe and provide maximum enjoyment and benefit to our residents and visitors.

The Town will confirm opening dates for Marquee Park and South Hedland Aquatic Centre once we are confident that both facilities meet necessary standards and approvals and are of the highest quality.
