White Card Skill Set

Get your kick start into Australia's construction industry.

A White Card is evidence that you have completed a General Construction Induction course or White Card course. This course is mandatory for anyone who works or wants to work in the construction industry.

The White Card Skill Set is a full day course that is nationally recognised and is incorporated into construction related qualifications undertaken at North Regional TAFE (NR TAFE).

The following topics are covered in this course:

- Health and safety legislative requirements
- Identifying construction hazards and risk control measures
- Health and safety communication and reporting processes
- Incident and emergency response procedures

Improve your job prospects by completing your White Card today!

Additional Information

Once you have completed this Skill Set you will be issued with your card within 5-10 days from NR TAFE.

Lost/Damaged cards

If you have lost your card or damaged your card and require a replacement, you must first identify the Registered Training Organisation that issued you with your construction induction or blue card and contact them to have it replaced. If you are unsure who issued the card you can find out at Worksafe WA's [Construction Induction Training Card Database](#).

If your card was issued by one of the following providers you may request a replacement from NR TAFE.

- North Regional TAFE
- Kimberley Training Institute

The cost of replacement is \$25, for a re-issue please complete the form at: <https://www.northregionaltafe.wa.edu.au/current-students/request-your-award> and we will be in contact to arrange this for you.

If the RTO that issued your cards is no longer operating, you will need to provide a Statement of Attainment (for the unit CPCWHS1001) issued by the RTO and present it to North Regional TAFE to enable a re-issue of a general construction induction card.

Please be advised that if you cannot find your details, the name of the RTO, or your Statement of Attainment, you will need to undertake the Construction Induction Training. Courses being held at North Regional TAFE can be found here: <https://www.northregionaltafe.wa.edu.au/courses/white-card-skill-set>

Unit:

Not all units and study modes are offered at all campuses. Please check with your local campus.
