Community Meeting - Saturday 15 March

The Town of Port Hedland is currently seeking comment and feedback on its Non-Residential Workforce Accommodation Strategy and Proposed Mixed Use Caravan Park in Pretty Pool, which are both available on the Town's website.

As part of the Town's community consultation process, we will be hosting a community meeting to listen to our residents' questions and concerns about the projects.

The meeting will take place in Council Chambers (upper level Civic Centre, McGregor Street, Port Hedland), starting at 9am sharp and finishing at 10.30am. Tea and coffee will be provided.

The meeting will include presentations followed by an open floor question and answer session.

Please RSVP your attendance to Executive Assistant - Planning and Development at eapd@porthedland.wa.gov.au by 4pm, Friday 14 March 2014.

Music program partnership with Atlas Iron

The Town of Port Hedland has partnered with Atlas Iron to deliver a unique music development program, which will see young musos create and produce a music album with original music.

The three month music program is suitable for young people aged between 12 and 25 years and includes a series of Saturday workshops where participants will write original songs, record and produce them.

The program will take place at the JD Hardie Youth Zone, with much work taking place in the music recording studio, which was installed in 2013.

For more information, or to register for the program please contact the Town's Youth Development Officer at youthc@porthedland.wa.gov.au or call 0409 591 075.
